

Swansea Nursery School is a non-profit, community based child care centre committed to providing quality day care services, supporting the development of the individual child and enhancing family life in a warm, caring environment. We are a non-profit, non-denominational centre, licensed by the Ontario Ministry of Community and Social Services, and follow all guidelines set out in the *Day Nurseries Act*.

Swansea Nursery School has been serving families in the community since 1980 and operates Monday to Friday from 7:30 a.m. to 6:00 p.m. **As of August 1, 2011, we are located in the Swansea Town Hall on the 2<sup>nd</sup> floor!** We continue to strive for excellence in our work and continues to serve parents and their children in our community (including families that are subsidized by The City of Toronto) During the school year, we walk kindergarten children to and from Swansea Public School. Children that attend St. Pias will be bused (as arranged by parents) to and from our centre.

We are proud of the work we do and the services we provide, and are respectful of the trust invested in us. We believe our first obligation is to protect the physical, emotional and social well-being of each and every child. Our objective is to help each child build strong foundations, which will support their healthy development, both as individuals and as members of their community.

Further information . . .

- ❖ We accept children from 2 ½ to 6 years of age
